Nina Hawari

Senior Digital Art Director
Front-end Developer

Creative and self-starting Front-End Developer passionate about building websites that make a difference in collaborative environments. Well-versed in HTML, CSS, Javascript and React, with a strong skill set in time management and problem-solving and a background in art direction in graphic design.

Experience

SENIOR DIGITAL ART DIRECTOR
Netizency - United Arab Emirates

January 2022 - Current

- Successfully leading the design and execution of digital campaigns for 3 global brands, resulting in increased engagement, website traffic, and conversions.
- Designing visually appealing email campaigns to achieve above-average open and click-through rates.
- Collaborating effectively with cross-functional teams, clients, and stakeholders to deliver high-quality work on time.

GRAPHIC DESIGNER TO SENIOR ART DIRECTOR
Bees & Elephants - Lebanon

August 2016 - December 2021

- Collaborated with clients to understand their needs and goals and deliver tailored solutions that exceeded their expectations.
- Successfully led the creation and implementation of branding strategies for multiple clients, resulting in increased brand awareness, loyalty, and sales.
- Strong leadership and management skills, including the ability to motivate and inspire a team to achieve outstanding results.

Education

FRONTEND WEB DEVELOPMENT CERTIFICATE
Re:Coded - Iraq, Palestine, Lebanon Bootcamp Batch

September 2022 - January 2023

Completed a highly selective 4.5-month immersive design bootcamp with a 6% acceptance rate, completing over 300 hours of curricula & project-based learning. During the bootcamp, I had the opportunity to work on 4 projects collaboratively with different teams, showcasing my ability to work effectively in a team environment. Together, we delivered high-quality design solutions using technologies such as HTML, CSS, JavaScript, and React.

BACHELOR OF ARTS IN GRAPHIC DESIGN
American University of Science & Technology - Lebanon

Honor's List - June 2015

Completed a 3-year program learning essential principles of Graphic Design through theoretical and collaborative multidisciplinary projects in branding, packaging, creative storytelling and app design.
